

The Tennessee State Constitution: A Reference Guide

REFERENCE • LAW

"Well organized and reliable, it is the best introductory guide to the Constitution currently available. It can be used for senior and AP classes in high schools, as well as college-level introductions to the Constitution or courses on US government. Highly recommended."
—Choice

A Companion to the United States Constitution and Its Amendments is designed to show students just how revolutionary the Constitution was and how relevant it remains today. The *Companion* begins by revisiting the key events leading to the Constitution's ratification, including the writing of the Declaration of Independence and the proceedings of the Constitutional Convention, then goes article by article, amendment by amendment, to describe each section of the document, as well as the important court cases that add to its meaning.

The fully updated new edition of *A Companion to the United States Constitution and Its Amendments* reflects a number of significant developments in the five years since the previous edition, including the appointments of new Supreme Court justices, impactful cases involving First Amendment rights for students, religious displays on government property, gun control in the District of Columbia, presidential powers in the context of the War on Terror, corporate fraud liability, gay rights, and the recent presidential election.

SPECIAL FEATURES:

- Includes copies of original documents such as the Declaration of Independence, the Articles of Confederation, and the US Constitution
- Provides a chronology of key events in constitutional history from the Magna Carta (1215) to the present
- Each chapter has a bibliography of cases and/or primary and secondary materials, many of which are quite extensive
- A glossary of key law and political science terms
- Offers appendices, including a list of US Supreme Court Justices and their dates of service and thumbnails of the fifty leading cases decided by the Supreme Court

JOHN R. VILE is professor of political science and dean of the University Honors College at Middle Tennessee State University at Murfreesboro. He is the author and coeditor of numerous books, including *Encyclopedia of the First Amendment* as well as *Encyclopedia of Constitutional Amendments, Proposed Amendments, and Amending Issues, 1789–1995*; *The Constitutional Convention of 1787*; *Great American Lawyers*; *Great American Judges*; and *Essential Supreme Court Decisions* among others.
