

Cultural Criminology: Theories Of Crime

Cultural Criminology

- Based on the argument that crime and crime control cannot be understood apart from the domain of culture
- Crimes are constructed out of symbolic interactions among groups and people and are shaped by ongoing conflicts over their meaning and perceptions

Lilly, Cullen, Ball, Criminological Theory Sixth Edition. ©2015 SAGE Publications

Cultural criminology is a theoretical, methodological, and interventionist approach to the study of crime. The theory views crime in the context of an offenders culture as a motive to commit crime. The theory gives motives to a crime whereas other.
